

Warehouse Upgrade – optimized spare parts handling

We are making things easier for you and centralized our spare parts handling for Europe:

Starting November 1st, 2025 spare parts from **IN-LOG**, **GÄMMERLER** and **RIMA** will be handled from our expanded warehouse in Vienna – one location, one contact-address & standardized handling.

IN-LOG | GÄMMERLER & RIMA

all parts from one location

Here what you need to know:

- Inquiries for spare parts for IN-LOG, GÄMMERLER, RIMA: spareparts@merten.at
- Inquiries for service & support for IN-LOG, GÄMMERLER, RIMA: service@merten.at

For all inquiries in North America please contact our Solution Partner RIMA Atlanta:

spare parts: parts@rima-atlanta.net | support: support@rima-atlanta.net

*In 2022, the Merten Group, already the owner of IN-LOG, took over Gämmerler with a clear goal: to merge the strengths of the two companies into the new **IN-LOG | GÄMMERLER** brand and create superior solutions in terms of equipment, spare parts, and support.*

*In 2024, **IN-LOG | GÄMMERLER** and **RIMA Atlanta** formed a partnership to better support customers around the world in the web printing and bindery industries. Today, we are a unique and strong team that can meet a central requirement of our challenging market: "Helping customers keep their shop floors running!" We combine intelligent engineering with new, rebuilt, and existing equipment to create reliable and cost-effective solutions. Learn more here inlog-gammerler.com*
